Greetings from Wasem Fruit Farm:

*We have been **open every Friday** this winter and will continue to be open every Friday from 9 to 5 until the first week of March and possibly longer. We make donuts (plain batter, apple & blueberry with various toppings) every Friday. If you want more than a dozen we would appreciate an order before 8 am on Friday. We do not make a lot this time of year. We make cider every Friday. We are having a February special on cider that **is pre-ordered by 8 am on Friday** of the week you want it. If you **buy 5 gallons or more it will be \$6.00 a gallon instead of \$7.00 a gallon.** **Important it MUST be pre-ordered for this special.** If you want less, it **does not** have to be pre-ordered. This will be every Friday in February. If you can't make it on Friday, it could be picked up on the Ann Arbor Farmers Market on Saturday from 8:00 to 3:00. The market is located at 315 Detroit St, near Kerrytown and Zingerman's. You **MUST** tell us you are picking it up there. We are at the Ann Arbor Farmers market every Saturday from 8 to 3. This time of the year we are usually in stalls 66-69. If you place an order please leave your name and phone number in case we have any questions about your order.*

We have a lot of apples left. In fact too many that we are giving some to Food Gathers. They are coming this Friday to pick up more. We have lots of Golden Delicious, Mutsu, Cameo, Fuji, McIntosh, Braeburn, Ida Red and Northern Spy. We have a few Cortland, Jonathan, Granny Smith, Jonagold, & Russetts left. Applesauce or apple pie really tastes good this time of the year.

We will have Bosc Pears for a couple more weeks. We still have mulling spices to make hot cider. We have popcorn, apple butter & lots of varieties of jam for sale. We have some frozen raspberries & blackberries at \$7.00 a quart.

We make a few nutty caramel apples each week. We would prefer that they are pre-ordered. We have had no demand for plain ones but will make them if we have requests. We also have our large pile of apple wood for sale. For the most up to date information about what is happening at the orchard check us on facebook.

Hope to see you this winter.
